

No Baseball Games Today At South Side Park

Three tempting fagons,
Gosh, they're getting few;
Didn't watch the fagman,
Then there were two.

BOTH GAMES CALLED OFF; WET GROUNDS

Collegian Manager Says No Game With Ida May Team.

NOTHING DOING.
Shortly after noon today, the City League game between Monongah Glass and Mining Machinery scheduled for this afternoon was called off on account of wet grounds. The Idamay-Collegian game was called off earlier in the day. The grounds were in fair shape and a game could have been played, perhaps, but the cold and threatening weather conditions would have kept the fans away, and it was deemed unwise to make the players battle under such poor conditions with likely only a handful of the faithful on hand to see them.

B. Guy, who is in charge of the Pittsburgh Collegians while his brother, Dick Guy, is not with them, has his crew coming in from Morgantown this morning, where they played the Varsity single game on Thursday, the final battle of the series yesterday being postponed on account of rain. Guy announced at noon today that he had been notified by the Idamay manager that the scheduled at South Side park between Idamay and the Pittsburghers had been called off on account of wet grounds, so unless there is a reversal of this decision the Pittsburgh lads will have nothing to do but sit around until time for the game with Monongah at Traction Park Sunday afternoon. At the same time that the announcement of the postponement of the Idamay game was made, President Bohler, of the City League, who had been at work on the ball grounds all morning, stated that unless it rained more there was no reason why the City League game between Monongah Glass and Mining Machinery teams scheduled for 2 o'clock this afternoon could not be played. He also stated that if it was definitely decided that the Collegian game for four o'clock was off, the boards he would arrange to start the City League game a little later in order to give more time to get the grounds in shape for the contest. As a matter of fact the ball diamond was in very fair shape at noon today, and there seems no reason why the game should be called off unless it should rain some more. Umpire Johnson, of Grafton, is on hand to work the City League game if it is played.

Grant Town to Play on Sunday

Grant Town will open up its season at home Sunday playing the strong West Virginia team. Grant Town will be greatly strengthened hereafter owing to the fact that several new players have joined the team. What Makes Corn Pop? A grain of "popcorn" is filled with tightly-packed starch grains. The inside of the grain is divided into a large number of cells, each of which may be likened to a tiny box, the walls of which are sufficiently strong to withstand considerable pressure from within. Upon the application of heat the moisture present in each little box is converted into steam that finally escapes by explosion. The grain of corn then literally turns inside out and is transformed into a large mass of snow-white stuff.

GOOD SUNDAY GAMES LISTED FOR SECTION

Local Fans will Have Plenty of Chance to See Good Ball.

SUNDAY GAME OFF.
It was announced by the Consumers manager this morning that the game scheduled between the Consumers and Wellsburg at Blackshere park Sunday afternoon had been called off. Wet grounds and bad weather conditions generally is the reason for this action being taken.

Some very fast baseball games are scheduled about the county for tomorrow afternoon and should the weather warm up and dry up a little it is likely that large crowds will be present at many of the contests. Dick Guy's fast Pittsburgh Collegians, ever popular in this section of the county, will cross bats with the Monongah team at Traction Park. The game will be called at 3 o'clock and many local fans will likely be on hand when the umpire calls "Play." Special service will be given by the Traction company to and from the park, so that the fans will lose no time getting home.

At Blackshere Park another good contest will be staged, when the Consumers team will tackle the Wellsburg aggregation. The Wellsburg team a few weeks ago took the measure of another fast team in this section and will be out to make a killing with the Consumers as the victim. Lefty Lewis may be on the mound for the Consumers, although it is not certain.

Port Knight will take his Idamay team to Clarksburg for a game and an interesting contest is looked for.

Montana Mines will play the Morgantown Tigers at Montana, while Kingmont will play the Hazel-Atlas Glass team at Grafton.

No Game Last Night at Park

Rain made a postponement in the city league schedule last night a matter without choice, and the Owens and Stevenson teams were forced to remain idle while Jupiter played a great game with the old sprinkler outfit. Both teams were anxious to get into battle last night and both expressed confidence that a victory would have been secured. The matter will have to be settled at a later date.

Greedy for Wasps.

The common green frog has been discovered to possess an insatiable greed for wasps. This extraordinary appetite does not seem to be in the least checked by an occasional sting. The protecting color of the frog, which lies motionless upon leaves, no doubt deceives the most wary of insects into a case of omphalos.

A NERVOUS WRECK

From Three Years Suffering, Says Cardui Made Her Well.

Texas City, Tex.—In an interesting statement, Mrs. G. H. Schill, of this town, says: "For three years I suffered untold agony with my head. I was unable to do any of my work."

I just wanted to sleep all the time, for that was the only ease I could get, when I was asleep. I became a nervous wreck just from the awful suffering with my head.

I was so nervous that the least noise would make me jump out of my bed. I had no energy, and was unable to do anything. My son, a young boy, had to do all my household duties.

I was not able to do anything until I took Cardui. I took three bottles in all, and it surely cured me of those awful headaches. That has been three years ago, and I know the cure is permanent, for I have never had any headache since taking Cardui.

Nothing relieved me until I took Cardui. It did wonders for me."

Try Cardui for your troubles—made from medicinal ingredients recommended in medical books as being of benefit in female troubles, and 40 years of use has proven that the books are right. Begin taking Cardui today.

Jupiter Pluvius was mean to the Fairmont baseball bugs today, as he dished out a Saturday that was anything but good for baseball. Some great games are on for tomorrow if the rain ceases and the sun comes out by that time.

The New York Giants have won three games in a row which is about the best baseball they have shown during the present season.

All the Giants' fans in New York are going over to the Yanks. They forget the baseball honors that the Giants have brought to Gotham in other years.

Dick Guy who was with the Pittsburgh Collegian team at Morgantown, went to Pittsburgh Friday night, but it is said that he will be back for the game at Monongah tomorrow.

From all the available dope, the game at Traction park tomorrow should be one of the best games that has been staged in this section this season.

Umpire Johnson was on hand bright and early this morning and will work the city league game if one is played this afternoon.

There is nothing new today in the city league tangle, and the fans are trusting that the matter will be adjusted in some manner so that the league can go right along without any more trouble.

VARSITY HOPES FOR BIG DAY

Track and Baseball Team Goes to Pittsburgh.

MORGANTOWN, June 5 (Special).—The West Virginia University track and baseball teams left here this morning for Pittsburgh to meet the Panthers in these branches of sport. There were thirty-two men in the large party and due to the fact that only twenty chairs were available on the lone chair car operated in Pittsburgh the even dozen "freshies" in the crowd were assigned to the chair cars, much, of course, to their discomfort.

The baseball team did not anticipate a great deal of trouble winning from Pitt because Fulton Woods is to occupy the mound and it is no secret that when properly keyed up and sent into a conflict the Mountaineer diamond aggregation is a good one and will have a decided edge on the Panthers.

With the track team, of course, it is different, but Coach Cartmell believes his men will make a good showing and that there is a bare chance of winning the meet through the good work of Rowley, Gaines, Hill, Knutti and Lareile. Three of the baseball squad will help out in the track meet and then be rushed over to Trees stadium for the diamond contest. These men are Martin, Harrick and Neale. Tom Davies of Pitt will also follow this procedure. West

COMPARE NOTES.
BUCKHANNON, June 5.—Fans who have followed the work of the Pittsburgh Collegians at Morgantown in their game there with the University will be waiting anxiously to see what the Wesleyan nine does against the Collegians. Coach Charles Clement Reeder has his baseball lads tuned up to a victory note in both games. The Wesleyan nine has an enviable record behind it and if the terrors of the orange and black can go through the series with two games to the credit of the locals, the season will be crowned with glory. Even if both games were dropped to the Collegians the season would remain an excellent one. The Collegians are independent and no bearing on college laurels except through comparative scores. Yet the dope bucket shows a mixture that Wesleyan will win—victories over the Pittsburgh clan will add to the prestige of the nine.
